LADSON, S.C. (WCSC) - Berkeley County deputies responded Friday night to a disturbance reported at Music in Motion in Ladson.

The incident happened at 9 p.m., according to Berkeley County Sheriff's Maj. Willie Hickman. Some juveniles were detained, but deputies did not specify how many.

Berkeley County Sheriff's spokesperson Carli Drayton said the business was hosting an event that was "overwhelming" to the business and that when deputies tried to assist with crowd control, a fight broke out between the juveniles in the parking lot.

Some juveniles were detained for safety and Drayton said they would be released to their legal guardian.

Officials said the event, an all-night skate party, was canceled. Parents were called to come pick up their kids.
