LET'S CELEBRATE 7TH ANNIVERSARY

C. R. C. OFFICERS ELECTED FOR 1 YEAR TERM

The Primaries which lasted for two weeks had its usual flare of excitement and hard work for the campaigners and their committees, ending on C. R. C. Club nite, November 2.

The first ballot was cast by Geneva Abbot.

The Primary winners were: Progressive Party:

Steve Galgoczy, Pres. (Running for 3rd Term)

Joan Wiess, Vice Pres. Marie Galgoczy, Sec'y.

Liberal Party
John Konis, Pres.
Bernice Kleff, Vice Pres.
Virginia Kulow, Sec'y.

John Konis and his party ran under the banner of the three K's.

Being Whirlo members themselves they had plenty of support from that source and are counting on further cooperation during the election. This is natural because they haven't the advantage of Steve Galoczy, who has quite an established following by virtue of his officiating the affairs of C. R. C. the past two years, so John is counting on his Whirlo support to win for his party.

Steve, as his friends call him, still has all his old following of C. R. C. members and we must say is still quite popular with the old timers at Skateland. He promises a stiff campaign and is confident that he will win a third term.

Julia Zimmerman, Vicky Dlubac, and Elaine Koenig, the "All Girl Party," ran third in the primaries. This is surprising as it was commonly thought they would walk away with first honors. All three girls are well known and popular at Skateland. Wonder if they really tried. Well—better luck next time.

The election starts Monday, November 23 and lasts for two weeks, closing on Monday, December 7. C. R. C. club night, at 10:30 p. m.

Skateland is available for exclusive parties during priods when regular sessions are not in progress. For complete details, see Miss Bentzen, or phone GArfield 3668.

Skateland wishes to direct attention to its "Co-operative Party.Plan", which we know will be of great interest to everyone. By means of this plan, organizations will be able to hold skating parties at no cost merely the effort to sell tickets — at a profit. Why not take advantage of this new offer and reserve a date now, as there are still many desirable dates Glenview Ilinois as plane captain.

HOME ON **FURLOUGH**

Skateland employees and skaters had a big surprise Sunday, November 8th, when three former employees, all men in the service came breezing in. Howard Williams former manager, home on a two weeks furlough from Fort Clark, Texas. Al Silky,

former floorman home from Naval Training School, Chicago, Illinois, for one day. Al has been lucky as he has had several such days and Bill Dietrick from Naval Air Base, Glenview, Illinois home for a two day

Howard Williams met an old friend Miss Donna Harnish at Fort Clark, Texas, down near the Mexican Border, where she was dancing in a U.S.O. show. Howard says the show was a huge success.

Al Silky thought to disguise himself with a new mustache. Al is in Naval Training for Advance Aviation.

Bill Dietrick after leaving the Naval Training School at Chicago, as aviation machinist, was sent on Active Duty to the U. S.Naval Air Base,

Cleveland Whirlo

Friday afternoon, November 7, at Skateland was the scene of war paint, long underwear, funny faces, and funny people to say the least. Peculiar antics prevailed. These included kneeling groups of individuals decorated with necklaces of onions reeking to the high heavens, in sober ceremony.

The occasion was the initiation of 250 new Whirlo members from various high schools of Cleveland. Dozens of lipsticks were used in the make-up process and an assortment of costumes reminded one of Halloween-or what have you. Suffice to say that a grand time was had by all and a record attendance was established. Whirlo sessions at Skateland are every Friday afternoon from 3 p. m. to 6 p. m.

Whirlo Figure and Dance Class Beginning with Wednesday, November 11, all Whirlo members with their own skates are invited to attend the twelve lesson course of instruction every Wednesday afternoon from 4 p. m. to 5:30 p. m. This class is free of charge and open to all members in good standing. Marge Vickerts and Carl Lampl are the instructors of these classes.

Miss Lois McClelland formerly of Canton, Ohio has just joined the C. R. C. She is an attractive red haired young lady, knows how to Skate dance and is having a good time at Skateland.

Another out-of-town Skater to join the C. R. C. is Mr. Paul Dochety, Auburn, New York. He is going to John Carroll University, a freshman and taking Chemistry. He belongs to the John Carroll Band and plays the symbols.

Betty Thielman received a ring from John Brouse just before he left for the service. They expect to be married on his first furlough. John Brouse has a twin brother George, who joined the Marine's with Their sister Edna Gutzky received word that they were going to keep them together at Camp.
