West Chester roller skating rink will permanently close

Briana Rice Cincinnati Enquirer Published 4:00 p.m. ET April 14, 2020 | Updated 4:11 p.m. ET April 14, 2020

A West Chester family roller skating rink is permanently closing its doors.

After more than 17 years of operation, Skatetown USA will officially close on May 1.

"Due to the current economic conditions created by the Coronavirus and the state mandates the financial impact on the roller skating business has been too much to recover from, and to keep the high standards of operations that we have provided over the years," the facility wrote on Facebook.

Skatetown USA first closed its doors on March 17.

Beginning April 15, Skatetown USA will begin selling all of its equipment and supplies. To purchase from the facility, email Ken Roesel at kenskatetownusa@aol.com.

"We would like to thank all of our customers for the years of support and allowing us to serve so many of you and your families! We would also like to thank West Chester Township officials and the surrounding school districts for the support they have all given Skatetown USA over the years! We will continue to cherish the many memories and friendships that have been formed through roller skating at Skatetown USA," the Facebook post stated.

Skatetown USA, 8730 North Pavilion Drive, West Chester, Ohio.
